

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Part - Ingersoll Rand offers solutions, services and products to be able to increase the productivity and ensure efficiency in industrial, commercial and residential surroundings. They pride themselves in delivering products to enhance the security, health, safety and comfort of individuals around the world throughout their four international segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, building and contracting services, parts support and advanced controls for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies division provides solutions and products which improve their customers' energy efficiency, productivity and operations. The product series is diverse ranging from pumps and tools, material and fluid handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in golf and utility vehicles meant for people and businesses.

Brand names like for example Trane and Schlage provide residential solutions that provide efficiency, comfort and safety to home owners across North America. Their innovative products include mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies offers products that ensure secure, safe and productive environments. This division's market leading products consist of door and floor closers, portable security devices, exit devices, electronic and biometric cabinet hardware, access control systems, steel frames and locks and doors, locksets and decorative hardware. Well-known trade names like for instance Schlage also offer attendance, personal and time scheduling systems.
